

MISSION UPDATE

Cal and Jessie Stuebner | Managua, Nicaragua

PRAYER REQUESTS: Cal and Jessie Stuebner

Please pray for one of the other missionary teachers at Jessie's school who has been struggling with cancer for a year now. His name is Tom Seipel. He is a young guy with a young wife and a daughter in preschool. Here is the news he shared today: I have received devastating news today.... The Dr. pretty much told me that I cant go back and forth to Nicaragua if I want to survive this treatment. So I need to stay in Savannah for 3 months. He also said if I am going to live I need a couple of miracles. The first is financially. I need to get

accepted by some form of government aid in order to afford this treatment. And then we need to pray I'm in the 10% that this treatment works on. If not, the Dr. said I'd be lucky to live a year. I'm putting all my hope in Jesus. I need lots of prayers. Please add me to any prayer lists/bible studies/groups please. I need some miracles if I'm going to see Mia grow up at all. Also please pray for my wife and Mia. My wife is scared and I pretty much take care of them. Losing me is one thing, but being on her own is horrifying. I know God has a plan, but I pray that He shows us the path. Thank you all for your support and God Bless you all. I ain't going down without a fight.

As always, please pray for Cal and Jessie's health and marriage to stay strong, and for them to have wisdom as they approach their ministries.

PRAYER REQUESTS: Calvary Chapel Managua

- Please pray for one of our worship leaders, Sergio, to get a job. Please also pray for his marriage as the financial burden is putting a strain.
- Please pray for Rebecca (Gustavo's mom) as she is experiencing heart problems. We don't know how serious yet, but she's not doing well.
- Please pray for our school as they finish their year and start finals soon. Please pray that we also get good enrollment for the next school year (beginning in February) despite the economic hardship the country is currently experiencing.
- Please pray for Carolina's son. (Carolina is our school director.)
- Please pray for Roberto as he waits still for his prosthetic leg.
- Please pray for our worship team as we still need instrumentalists.
- Please pray for the country of Nicaragua as there is still political unrest, but more than that, there is a lot of economic hardship and people out of work. Many are struggling in a nation that was already one of the poorest in the Western Hemisphere.

With love in Christ,

Cal and Jessie Stuebner
