

# MISSION UPDATE

Cal and Jessie Stuebner | Managua, Nicaragua

## PRAYER REQUESTS | APRIL, 2020:

- Please pray for the church as, like many, we continue to be closed and doing online meetings.
- Please pray that we will be able to help get our older people connected to the internet, perhaps through their relatives' telephones or other means, so that they can continue to listen to church messages and receive the Word of God.
- Please pray for the Lord to protect our congregation as many of them are older and/or disabled, and the virus is beginning to hit Nicaragua.
- Please pray for Jessie as she continues to struggle through teaching online; it is very stressful and time consuming for her, and she misses her kids.
- Please pray for God to keep our families safe as we choose to stay here in Nicaragua through this pandemic. Our parents are all aging, Jessie's dad already has a highly compromised immune system from a previous illness, and even our siblings and other family members already have ongoing health issues. Many of them are not saved.
- Please pray for Nicaragua as a whole, as the government is not taking any precautions or even recommending quarantine. Actually, they are doing the opposite, requiring people to go out, sometimes even in large gatherings.

With love in Christ,

**Cal and Jessie Stuebner**
