

Wow Wow, Wow!

Amazing last few months!

From the USA to Poipet to Chiangrai

The trip to the US was way above any expectations I had! I went with the message to say a heartfelt thank you but I came back with a heart filled with thanksgiving and appreciation for all the lovely brethren and churches who have prayed and supported us for decades!! It was truly awe-inspiring and incredible time!

I love Christmas, it such an opportunity here in Thailand and Cambodia to share the true meaning of Christmas with our neighbors-Jesus! Between the schools, churches , nearby villages, dumps, hospitals we shared with about 1,000 people ! It was incredible , not to mention each home/kids had multiple chances to lead, organize , participate in all these outreaches! To God be the glory!

Our summer is approaching ,March and April. Schools will close, older kids will summer jobs, some will do summer volunteer services at different places ,some kids will visit safe family situations and others will get ready for university! It looks like we may have 2-3 high school graduates going to bible seminary! Afang, Cherry are applying to the seminary in Bangkok now and Yaro will ,if he doesn't get drafted into the army. Apuang from the Poipet home has just joined YWAM for a DTS course last month! It's very exciting to see the next generation going for the things of the Lord, especially His word. It compliments the house leaders as well as we see effective discipleship in action! 2 Timothy 2:2 , now thats real discipleship!

- I liked the picture where I sat unknowingly by the sign on the wall that said "stay humble" ! That's my prayer request for me! Now that I think about it - for all the staff , leaders and the whole ministry- Humble before the Lord!

Giving the Lord all the Glory,
