

# MMF Covid 19 Update

Donation to the Welfare Department in Chiangrai, Thailand

## Thank you Lord for such a wonderful window of opportunity during this Covid time!

We also would like to thank the brethren for making this outreach of feeding the poor in Kabul Spean, Cambodia possible ! It took donors, teachers, staff, kids and lots of time and love to cook the meals. MMF has been serving like this for the last 3 weeks, twice a week , feeding between 200-400 people each time! The people’s faces say it all!

“Simple staples, with Jesus’ love”

Please keep us in your prayers as we continue to share kindness in the midst of uncertainty and need. Pray for the leaders and kids and the villagers and people in the communities. We have Jesus we have hope to share.

With gratefulness and love, Rose , staff , teachers and kids.
