

MISSION UPDATE

Cal and Jessie Stuebner | Managua, Nicaragua

PRAYER REQUESTS | JULY, 2020:

Hello everyone,

We want to start by praising the Lord that neither Noel nor anyone in his family got sick despite being exposed to the virus. We do have some prayer requests, however.

- Please pray for our older congregation members, as some of them are feeling isolated after so much quarantine.
- Please continue to pray that our online services will reach many people, especially the older members of our congregation who struggle with technology.
- Please pray for Nicaragua as the viral outbreak is getting strong there and has now reached all parts of the country.
- Please pray for Cal and Jessie's return trip to Nicaragua from the US as our flights are for the end of July, but the airport website says they'll be closed until August. (We took an embassy arranged emergency evacuation flight to go see Jessie's dad who was recently diagnosed with leukemia.)

With love in Christ,

Cal and Jessie Stuebner
