

Merry Christmas !

We love you, appreciate you and we pray you have a wonderful,
blessed Christmas with your loved ones!

Catch up news!

Since my last newsletter in August, you may know or may not know that I took off to Texas for 5 weeks to get vaccinated and was hosted and taken care of by some of the most generous, hospitable friends, the Baileys! With traveling opening here in SE Asia it has been so necessary and helpful with all my travels!

What a blessed day!

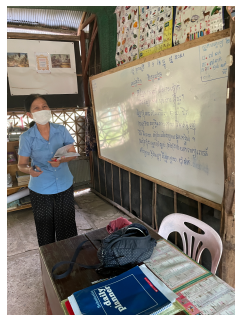

I got home here in Thailand just in time to quarantine and then to attend Chalerm and Guitar's wedding. It was a beautiful mix of a western and Hmong wedding in the beautiful hills in the Nan Province! I am happy to announce that in January the two will be taking over the leadership in the Chiangsean Home! They have such humble hearts to serve the Lord and the children in our homes.

I'm in Poipet, Cambodia right now getting ready for another exciting wedding, Sadudee and Somearn's marriage vows ! Here is a sneak peak of how colorful and traditional this wedding will be also. It will be held at their local church and a grand reception on the 18th of December 2021. I promise I will follow up with more photos on my personal Instagram . They will be living at the Poipet home and Somearn will continue to work at SP and Sadudee here at the home.

It has been so good to get back in Cambodia, see old friends , see the graduates and see how much Poipet has grown! Yesterday I saw a lot of development in some areas but there are still lots of overwhelming needs. I feel for the poor people and the kids. I'm thankful our MMF School is still up and running. Please keep us in your prayers.

This photo from the studio will be used at their wedding.

Our Christmas gift to you! This month of December we as homes have decided to dedicate this month to pray for you!!! As a sponsor, as a supporter , as a friend of the ministry we are praying for you this month! Like I mentioned before ,there is something tangible and powerful when kids, orphans, young ones pray for you! I pray you are blessed above and beyond into the next year,2022!
