YOUTH LEADERS IN TRAINING

Last October, we started our first youth Bible study. It is incredible what the Lord has done in one year. We have a great group of young youth from our community who show up every time and we are thankful that we get to pour into them, since most of them come from rough backgrounds. Some of them have also started coming to our weekly men's and women's study! We have several young adult men who serve in our youth ministry and recently, they each got to share their testimony with the youth group. It is such a blessing to see the Lord raise up these young men to share Jesus with this younger generation of youth. Please pray for the Lord to continue using and growing Hamill, Herson and Jose.

CONSTRUCTION PROJECTS CONTINUE

For the past couple of years, the Lord has led us to restore some of the church facilities that are in much need of repair. The Lord has provided for these renovations through various teams and generous donations. We are so thankful! We are currently continuing the remodel of our third floor, which we plan to use to house interns and future missions teams. The renewed spaces will have a full sized kitchen, dorm rooms, and lounging areas--which will make it ideal for times of fellowship.

Please pray for this great task, that the Lord would continue providing and that He would be glorified through it all.

MINISTRIES AND PRAYER REQUESTS

The Lord has been faithful to guide us and we continue to add various ministries to serve His people here in Nicaragua. Please pray for the following ministries and special events.

- Children's Ministry
- Men's Ministry
- School Ministry
- Youth Ministry
- Women's Ministry
- Worship and Audio Visual Ministry

- Christmas Services and Outreaches

BAPTISMS

We praise the Lord for what He is doing in the life of Andrea and Reynaldo! They recently took the step of obedience and got baptized. Pray that they would continue to grow and follow Jesus whole-heartedly.

THANK YOU!

We want to take a moment to express our gratitude to the Lord and to each one of you who have prayed and given to our family so that we can continue serving Him in Nicaragua. We know we are living in difficult times and we want you to know we truly appreciate you. It would be impossible to be here without your support and generosity. Once again, thank you! May the Lord bless you and may you continue to serve Him until we see Him face to face!
